

IN ROOM FOOD

Terms and Conditions:

Dear Guests

Please note it is forbidden to cook in the room.

Our houses are scented with flowers and natural essences and are full of marvellous fabrics and exclusive tapestries: the odour of cooked or reheated food permeates our fabrics and is unpleasant for future Guests. You may bring in externally cooked food, on the condition that our House Keeper is informed in advance. You will then be provided with a suitable tray, plates, cutlery and napkins in order to avoid stains on our curtains, floorings (carpet or parquet) and bedspreads.

The cost of this service is € 50,00 for each meal - however it **will be provided free of charge on the condition that you inform our House Keeper beforehand.**

If food is consumed in the room without informing our House Keeper ahead of time, the service will incur an unconditional charge.
